

'Bella Donna' Abelia

Abelia x grandiflora 'Bella Donna'

- Keeps a low profile with distinctive prostrate habit. Profuse white flowers in late Spring. White and green variegated foliage.
- 24-36in H x 28-32in W
- Zone 6a-9a
- Full sun

'Kaleidoscope' Abelia

Abelia x grandiflora 'Kaleidoscope'

- Bright yellow to gold margin with green center turning to rose in cold weather, white flowers
- 3ft H x 3ft W
- Zone 6-9
- Full Sun

'Little Richard' Abelia

Abelia x grandiflora 'Little Richard'

- Lustrous dark green leaves, white flowers, compact habit.
- 2.5ft H x 3ft W
- Zone 6-9
- Full Sun

'Rose Creek' Abelia

Abelia x 'Rose Creek'

- Compact, lustrous dark green leaves, pink-white flowers.
- 3-4ft H x 3-4ft W
- Zone 6-9
- Full Sun

'Degroot's Spire' Arborvitae

Thuja occidentalis 'Degroot's Spire'

- Tall narrow form, perfect to plant between buildings. Rich green foliage takes on purple cast in winter. Twisted texture on pyramidal form, tolerates shearing for a more tailored column.
-
- 20ft H x 4-5ft W
-
- Zone 3-8
-
- Part to full sun

'Emerald' Arborvitae

Thuja occidentalis 'Emerald'

- Narrow, compact pyramidal form.
- 10-15ft H x 3-4ft W
- hardy to -40F
- Sun

'Golden Globe' Arborvitae

Thuja occidentalis 'Golden Globe'

- Golden-yellow foliage, broad globe-shaped habit.
- 3ft H x 3ft W
- Zone 5-8
- Sun

'Green Giant' Arborvitae

Thuja standishii x plicata 'Green Giant'

- Narrow pyramidal tree with buttressed base and often several leaders, lustrous dark green leaves.
- 40ft H x 15ft W
- Zone 5-8
- Sun

'Little Giant' Arborvitae

Thuja occidentalis 'Little Giant'

- Slow growing, small globe-shaped evergreen shrub with rich green foliage.
- 4ft H x 4ft W
- Zone 3-8
- Sun

Milky Way Cast Iron Plant

Aspidistra elatior 'Amanogawa' (Milky Way)

- Upright clumps of evergreen foliage with white dots and dashes on leaf surface.
- 1.5-2ft H x 3ft W
- Zone 7-9
- Full to partial shade

Gold Dust Aucuba

Aucuba japonica 'Variegata'

- Dark green leaves with gold flecks. A female form with red berries.
- 10ft H x 7ft W
- Zone 7-10
- shade

Dwarf Variegated Aucuba

Aucuba japonica 'Variegata Nana'

- Dark green leaves with gold flecks. Red Berries.
- 24in H x 36in W
- Zone 7-10
- Shade

'Picturata' Aucuba

- slow-growing dense shrub. Leaves have irregular yellow centers surrounded by dark green with yellow flecks.
- 10ft H x 7ft W
- Zone 7-10
- Shade

Azalea Encore® Autumn Debutante™

Rhododendron 'Roblel' PP16278

- Lustrous, dark green foliage, delicate light pink flowers.
- 4ft H x 4ft W
- Zone 6b-9
- Light or afternoon shade

Azalea Encore® Autumn Embers™

Rhododendron 'Conleb' PP10581

- Low, spreading and dense habit, foliage is dark green, intense flowering, deep orange-red flowers
- 3ft H x 3.5ft W
- Zone 6b-9
- Light shade to full sun

Azalea Encore® Autumn Empress™

Rhododendron 'Conles' PP12109

- Upright growth habit with dark green foliage and bronze hue in winter, medium pink semi-double blooms
- 4ft H x 3ft W
- Zone 6b-9
- Light shade to full sun

Azalea Encore® Autumn Royalty™

Rhododendron 'Conlec' PP10580

- Robust, upright and globose, large dark green foliage, rich purple flowers
- 4.5ft H x 4ft W
- Zone 6a-9
- Light shade to full sun

Azalea Encore® Autumn Sangria™

Rhododendron 'Roblee' PP15077

- Largest, dark pink flowers
- 4.5ft H x 4ft W
- Zone 6a-9
- Light shade to full sun

Azalea Encore® Autumn Twist™

Rhododendron 'Conlep' PP12133

- Fast growing variety boasts large bi-color and occasional solid purple blooms
- 4.5ft H x 4ft W
- Zone 6a-9
- Light shade to full sun

'Delaware Valley' Azalea

Rhododendron 'Delaware Valley White'

- Evergreen shrub with lush green foliage, white single flower
- 2-4ft H x 3-4ft W
- Zone 6-9
- Part shade

'Formosa' Azalea

Rhododendron indica 'Formosa'

- Single magenta flower with deep blotch, large upright habit
- large, up to 10ft H
- Zone 7b-9
- Part to full sun

'Mrs. G.G. Gerbing' Azalea

Rhododendron indica 'Mrs. G.G. Gerbing'

- Dense foliage on low, dwarf plant, pure white flowers
- 6-8ft H x 4-6ft W
- Zone 7-9
- Filtered sun

'George Taber' Azalea

Rhododendron indica 'George L. Taber'

- Evergreen shrub with masses of showy single blooms, light orchid pink variegated with white
- 6-8ft H x 4-6ft W
- Zone 7-9
- Part to full sun

'Pink Ruffles' Azalea

Rhododendron indica 'Pink Ruffles'

- Shrubby, evergreen plant with pink-violet, semi-double flowers
- 2-4ft H
- Zone 8-9
- Requires mid-day shade

'Sunglow' Azalea

Rhododendron x carla 'Sunglow'

- Medium to large sized shrub, deep rose pink single flowers
- 5ft H x 4ft W
- Zone 7-9
- Part shade

'Crimson Pygmy' Dwarf Barberry

Berberis thunbergii 'Crimson Pygmy'

- Low, dense mounded shrub with reddish purple foliage, spines
- 1.5-2ft H x 2.5-3ft W
- Zone 4-8
- Full sun

Golden Barberry

Berberis thunbergii 'Aurea'

- Vivid yellow foliage, dense, relatively slow-growing shrub, spines
- 3-4ft H
- Zone
- Full sun

'Rose Glow' Barberry

Berberis thunbergii 'Rose Glow'

- New foliage is rose pink mottles with deeper red-purple splotches, color matures to a deep reddish purple
- 5-6ft
- Zone 4-8
- Full sun

Dura-Heat River Birch

Betula nigra 'BNMTF' DURA-HEAT

- Glossy, dark green leaves, yellow fall color, exfoliating bark, fast growing tree
- 40-70ft H x 40-60ft W
- Zone 3-9
- Sun

Baby Gem Boxwood

Buxus microphylla japonica 'Gregem' PP21159

- Compact selection with dark green leaves that hold color, evergreen
- 3ft H x 3ft W
- Zone 5-9
- Full sun to part shade

Golden Dream Boxwood

Buxus microphylla 'Peergold'

- Compact habit, dark green leaves with a prominent yellow margin
- 2ft H x 3ft W
- Zone 6-9
- Sun/Part Sun

'Winter Gem' Boxwood

Buxus microphylla japonica 'Winter Gem'

- Rich, deep velvety green foliage, evergreen
- 3-4ft H x 4-5ft W
- Zone 5-9
- Full sun to part shade

'Black Knight' Butterfly Bush

Buddleia davidii 'Black Knight'

- Very deep violet to dark purple flowers, vigorous grower
- 8-10ft H
- Zone 5-9
- Full sun

'Nanho Blue' Butterfly Bush

Buddleia davidii 'Nanho Blue'

- Mauve blue flowers, small gray-green leaves, compact grower
- 3-5ft H x 3-5ft W
- Zone 5-9
- Full sun

'Nanho Purple' Butterfly Bush

Buddleia davidii 'Nanho Purple'

- Magenta-purple flowers, spreading dwarf habit, small blue-green foliage
- 3-5ft H x 3-5ft W
- Zone 5-9
- Full sun

Buddleia Flutterby Petite® Blue Heaven

Buddleia 'Podaras#8' PP23128

- Dwarf, upright shrub, blue-purple flowers
- 24-30in Hx 24-30in W
- Zone 5a-10a
- Full sun

'Kramer's Supreme' Camellia

Camellia japonica 'Kramer's Supreme'

- Lustrous dark green foliage, peony form red flowers are large and also fragrant
- 15ft H x 8ft W
- Zone 7-9
- Part Shade

'Professor Sargent' Camellia

Camellia japonica 'Professor Sargent'

- Glossy green foliage and double red flowers
- 15ft H x 10 ft W
- Zone 7-9
- Part Shade

'Rosehill Red' Camellia

Camellia japonica 'Rosehill Red'

- Spring blooming camellia with medium, red semi-double flower form blooms, average, upright growth
- 8ft H x 4ftW
- Zone 7-9
- Shade to part sun

'Victory White' Camellia

Camellia japonica 'Victory White'

- Large, white, peony-like blooms beginning in midwinter, rounded, medium to large shrub with oval, glossy, dark-green leaves.
- 14ft H x 10ft W
- Zone 7-9
- Part sun/part shade

'Autumn Moon' Camellia

Camellia sasanqua 'Autumn Moon'

- Fall blooming camellia with medium, white, double flowers. Vigorous, upright grower.
- 8ft H x 3ft W
- Zone 7-9
- Sun to shade

'Kanjiro' Camellia

Camellia sasanqua 'Kanjiro'

- Smaller, glossy green leaves, single rose red flowers, vigorous upright habit
- 15ft H x 8ft W
- Zone 7-9
- Full sun to part shade

'Setsugekka' Camellia

Camellia sasanqua 'Setsugekka'

- Vigorous upright growth habit with large semi-double white flowers
- 15ft H x 8ft W
- Zone 7-9
- Full sun to part shade

'Shishi Gashira' Camellia

Camellia sasanqua 'Shishi Gashira'

- Compact spreading habit with semi-double to double rose red blooms
- 6ft H x 8ft W
- Zone 7-9
- Part sun

'William Hunt' Camellia

Camellia sasanqua 'William Lanier Hunt'

- Evergreen shrub with dark orchid pink, peony flowers that bloom in the fall to winter
- 10ft H x 8ft W
- Zone 7-9 Full sun to part shade

'Yuletide' Camellia

Camellia sasaqua 'Yuletide'

- Dense growth habit with single bright red flowers with prominent yellow stamens
- 12ft H x 6ft W
- Zone 7-9
- Full sun to part shade

Variegated Japanese Sedge

Carex oshimensis 'Evergold'

- Clump forming evergreen sedge with arching narrow leaves that have a creamy yellow central stripe and dark green margins.
- 12-16 in. H x 20in. W
- Zone 5-10
- Part to full sun

Drupacea Plum Yew

Cephalotaxus harringtonia var. *drupacea*

- Bushy, vase-shaped habit with linear dark green needles
- 8ft H x 10 ft. W
- Zone 6-9
- Full to part shade

'Duke Gardens' Plum Yew

Cephalotaxus harringtonia 'Duke Gardens'

- Lustrous deep green foliage, needles radiate around the stem in a bottlebrush-like fashion
- 2-3ft H x 3-4ft W
- Zone 6-9
- Part to full shade

'Fastigiata' Plum Yew

Cephalotaxus harringtonia 'Fastigiata'

- Black-green needles arranged spirally around the stem, slow upright growth habit
- 10ft H x 6ft W
- Zone 6-9
- Full sun to part shade

'Prostata' Plum Yew

Cephalotaxus harringtonia 'Prostrata'

- Dark green needles arranged in opposite rows along stem, grows wider than tall
- 3ft H x 8ft W
- Zone 6-9
- Part to full sun

Gold Mop False Cypress

Chamaecyparis pisifera 'Golden Mop'

- Golden stringy branchlets droop to form a compact pyramidal mound
- 6ft H x 5ft W
- Zone 4-8
- Sun to Part Shade

'King's Gold' False Cypress

Chamaecyparis pisifera filifera 'King's Gold'

- Bright gold thread leaf foliage, similar to Gold Mop, but foliage does not burn in full sun
- 12ft H x 8ft W
- Zone 4-8
- Sun to Part Shade

'Vintage Gold' False Cypress

Chamaecyparis pisifera 'Vintage Gold'

- Mounded growth habit with bright yellow fern-like foliage
- 3ft H x 5ft W
- Zone 4-8
- Sun to Part Shade

Dwarf Hinoki Cypress

Chamaecyparis obtusa 'Nana Gracilis'

- Deep green whorled foliage grows slowly to a broad pyramidal form
- 15ft H x 6ft W
- Zone 4-8
- Sun to Part Shade

Kwanzan Cherry

Prunus serrulata 'Kwanzan'

- Deep pink double flowers, new leaves are bronze, vase shaped to rounded form
- 30-40ft H x 30-40ft W
- Zone 4-8
- Full sun

Okame Cherry

Prunus x incamp 'Okame'

- Pink blooms in early spring; mildly fragrant, Upright, arching vase shaped; rounded with age
- 15-30ft H x 20-30ft W
- Zone 6-8
- Sun

Yoshino Cherry

Prunus x yedoensis

- Founded, spreading habit with pink or white slightly fragrant flowers
- 20-30ft H x 20-30ft W
- Zone 5-8
- Sun

Snow Fountain Weeping Cherry

Prunus x 'Snofozam'

- Weeping branches are covered in spring with a fountain of snow-white flowers, slow growing
- 12-15ft H x 12-20ft W
- Zone 5-8
- Sun

Japanese Cleyera

Ternstroemia gymnanthera

- Upright, oval habit, densely branched evergreen shrub with dark green leaves and reddish new growth
- 8-10ft H x 5-6ft W
- Zone 7-9
- Sun to Part Shade

Harry Lauder's Walking Stick

Corylus avellana 'Contorta'

- Unique deciduous shrub with interesting gnarled and twisted branches. Terrific fall foliage color; showy greenish-yellow catkins brighten the winter scene.
- 8-15ft H
- Zone 4-8
- Sun

'Royal Purple' Smoketree

Cotinus coggygia 'Royal Purple'

- Upright, spreading, open habit, often wider than high, multi-stemmed shrub. Rich, maroon-red colored foliage, darkest purple leaved cultivar
- 10-15ft H x 10-15ft W
- Zone 5-8
- Sun

'Prairie Fire' Crabapple

Malus x 'Prairie Fire'

- Upright when young, later rounded. Glossy dark red-brown bark, new growth reddish maroon maturing to dark green. Buds red opening to dark purplish red flowers.
- 20ft H x 20ft W
- Hardy to -20F
- Full sun

Miami Crape Myrtle

Lagerstroemia x 'Miami'

- Upright, often multi-stemmed small tree, dark pink flowers, young leaves burgundy becoming dark green.
- 16ft H x 10ft W
- Zone 7-9
- Full sun

Muskogee Crape Myrtle

Lagerstroemia indica x fauriei 'Muskogee'

- Large shrub or small tree, medium brown glossy leaves turn red in autumn, prolific light lavender-pink flowers.
- 20ft H x 15ft W
- Zone 7-9
- Full sun

Natchez Crape Myrtle

Lagerstroemia indica x fauriei 'Natchez'

- Large shrub or small tree, dark cinnamon-brown bark, glossy dark green leaves, pure white flowers.
- 20ft H x 20ft W
- Zone 7-9
- Full sun

Pokomoke Crape Myrtle

Lagerstroemia indica 'Pocomoke'

- Dense, compact shrub, bronze-green to deep glossy green leaves, rose-pink flowers.
- 3.5ft H x 3.5ft W
- Zone 7-9
- Full sun

Red Rocket Crape Myrtle

Lagerstroemia indica 'Whit IV' P.P.# 11342

- Clusters of ruby red, crepe papery flowers nearly cover the multi-stemmed shrub all summer long. The dark green foliage turns rich bronze-red in fall.
- 15-20ft tall and wide
- Zone 6-9
- Full sun

Sioux Crape Myrtle

Lagerstroemia x 'Sioux'

- Upright, multi-stemmed, large shrub or small tree. Panicles of dark pink flowers. Blooms late June to mid-September.
- 14ft H x 12ft W
- Zone 7-9
- Full sun

Tonto Crape Myrtle

Lagerstroemia indica × *fauriei* 'Tonto'

- Semi-dwarf, multi-stemmed shrub, young leaves dark bronze to semi-glossy dark green, fuchsia red flowers.
- 10ft H x 8ft W
- Zone 7-9
- Full sun

Tuscarora Crape Myrtle

Lagerstroemia indica x fauriei 'Tuscarora'

- Large shrub or small tree, red tinged immature leaves turn dark green, watermelon-red flowers.
- 15ft H x 15ft W
- Zone 6-9
- Full sun

Victor Crape Myrtle

Lagerstroemia indica 'Victor'

- Dwarf compact form, dark red flowers.
- 3-5ft H
- Zone 7-9
- Full sun

Zuni Crape Myrtle

Lagerstroemia indica x fauriei 'Zuni'

- Globose, semi-dwarf, multi-stemmed shrub, purple flowers.
- 9ft H x 8ft W
- Zone 7-9
- Full sun

Globosa Nana Cryptomeria

Cryptomeria japonica 'Globosa Nana'

- Green needle-like foliage with a dense, dome-shaped habit, becomes somewhat rusty red in winter.
- 5ft H x 5ft W
- Zone 5-9
- Sun

Radicans Cryptomeria

Cryptomeria japonica 'Radicans'

- Glaucous blue-green needles, pyramidal tree-like habit, considered more compact than 'Yoshino'.
- 40-50ft H x 15ft W
- Zone 5-8
- Sun

Yoshino Cryptomeria

Cryptomeria japonica 'Yoshino'

- Pyramidal tree with wide spreading branches, rich blue-green summer foliage that becomes slightly bronze-green in cold weather, fast grower.
- 30-40ft H
- Zone 5-8
- Sun

Italian Cypress

Cupressus sempervirens

- Dark green foliage with horizontal branches, upright columnar shrub.
- 20-30ft H x 3-5ft W
- Zone 7-9
- Sun

Carolina Sapphire Arizona Cypress

Cupressus arizonica 'Carolina Sapphire'

- Fast growing conifer with silvery-blue, aromatic foliage, broad pyramidal habit.
- 40-50ft H x 15-20ft W
- Zone 6-9
- Sun

Leyland Cypress

x Cupressocyparis leylandii

- Magnificent, needle evergreen forming a columnar to pyramidal outline. Bluish-green leaf color.
- 60-70ft H x 25ft W
- Zone 6-10
- Sun

Dawn Redwood

Metasequoia glyptostroboides

- Pyramidal tree with a fine textured foliage and peeling bark. Prominent winter buds.
- 100ft H x 25ft W
- Zone 5-8
- Sun

Happy Returns Daylily

Hemerocallis x 'Happy Returns'

- Large clumps of long, grass-like leaves are highlighted by bright yellow flowers on tall stems. This extra-early bloomer reblooms throughout the summer months.
- 15in H
- Zone 4-11
- Full sun

Little Business Daylily

Hemerocallis x 'Little Business'

- Abundant red flowers on tall stems. Blooms early to mid-season with repeat bloom. Clumps of grass-like foliage are deer resistant.
- 16in H
- Zone 4-11
- Full sun

Stella D'Oro Daylily

Hemerocallis x 'Stella D'Oro'

- Heavy clusters of 2-1/2 inch yellow blooms. Reblooms freely into early fall. Forms neat, compact clumps.
- 12in H
- Zone 4-11
- Full sun

Blue Cascade Distylium

Distylium 'PIIDIST-II' PP#24,409

- Matte blue-green foliage with a cascading, layered habit, reddish-maroon flowers in late January through March.
- 3-4ft H x 3-4ft W
- Zone 6b-9
- Full sun to part shade

Emerald Heights Distylium

Distylium 'PIIDIST-I' PP#24,410

- Dark green, glossy foliage that is attractive year round, maroon-red flowers in late January through March.
- 5ft H x 5ft W
- Zone 6b-9
- Full sun to part shade

Distylium First Editions® Vintage Jade

Distylium 'Vintage Jade' PP23128

- Spreading shrub with dark evergreen foliage, forms a low spreading mound in the landscape, petite red flowers appear in winter.
- 2-3ft H x 4-5ft W
- Zone 7-9
- Full sun to part shade

Flowering Dogwood

Cornus florida

- Small, low-branched tree with horizontal spreading lines, layered effect. White bracts, glossy red drupes.
- 30-40ft H x 30-40ft W
- Zone 5-9
- Full sun to part shade

Cherokee Princess Dogwood

Cornus florida 'Cherokee Princess'

- Small, low-branched tree with horizontal spreading lines, layered effect. White large bracts, early flowering, heavy flowering.
- 20ft H x 20ft W
- Zone 5-9
- Full sun to part shade

Cherokee Brave Dogwood

Cornus florida 'Comco No. 1' Cherokee Brave

- small deciduous tree with low-branching, broadly-pyramidal but somewhat flat-topped habit, red bracts.
- 15-30ft H x 25-30ft W
- Zone 5-9
- Full sun to part shade

Pink-Flowering Dogwood

Cornus florida var. rubra

- Small, low-branched tree with horizontal spreading lines, layered effect. Pink to pinkish-red bracts, glossy red drupes.
- 20ft H x 20ft W
- Zone 5-9
- Full sun to part shade

Glen St. Mary Elaeagnus

Elaeagnus pungens 'Glen St. Mary'

- Rather unkempt, dense spreading habit, thorny shrub, more compact and slow growing than other forms.
- 10-15ft H x 10-15ft W
- Zone 6-9
- Sun/Shade

Golden Euonymus

Euonymus japonicus 'Aureomarginatus'

- Dense oval shrub, more open in shade, medium-fast growth. Yellow leaf margins with dark green center.
- 8ft H x 5ft W
- Zone 7-9
- Sun/Shade

Silver King Euonymus

Euonymus japonicus 'Silver King'

- Dense oval shrub, more open in shade, medium-fast growth. Pale green leaves with creamy white margins.
- 10ft H x 6ft W
- Zone 7-9
- Sun/Shade

Dwarf Burning Bush

Euonymus alatus 'Compactus'

- Compact, mounded form displays attractive rich green leaves spring through summer, brilliant red fall foliage. Red fall fruit. Corky, winged stems.
- 10ft H x 10ft W
- Zone 4-9
- Full Sun

Japanese Fatsia

Fatsia japonica

- Dark green leaves with 7-9 lobes, tropical appearance.
- 10ft H x 10ft W
- Zone 8-10
- Shade to part sun

Lynwood Gold Forsythia

Forsythia x intermedia 'Lywood Gold'

- Early spring blooming shrub. Upright arching canes, yellow blooms in April before the foliage.
- 8ft H x 10ft W
- Zone 5-8
- Full sun

Mt. Airy Fothergilla

Fothergilla major 'Mt. Airy'

- Green leaves on zigzag stems. White fragrant flowers on bottlebrush-like spikes in April-May. Orange-red fall color and compact growth habit.
- 6ft H x 5ft W
- Zone 4-8
- Part to full sun

August Beauty Gardenia

Gardenia jasminoides 'August Beauty'

- Lustrous, dark green foliage on a rounded evergreen shrub. Prolific bloomer with large, sweetly fragrant, velvety white flowers.
- 6ft H x 4ft W
- Zone 7b-10
- Part to full sun

Kleim's Hardy Gardenia

Gardenia jasminoides 'Kleim's Hardy'

- Single, six-petaled flowers with orange fruit. Shiny, dark green leaves. One of the hardiest of gardenias.
- 3-4ft H x 4ft W
- Zone 7-10
- Part to full sun

Frostproof Dwarf Gardenia

Gardenia jasminoides 'Frostproof'

- Small leaves, similar to Radicans with white double flowers, more upright habit.
- 5ft H x 4ft W
- Zone 7-10
- Part to full sun

Radicans Dwarf Gardenia

Gardenia jasminoides 'Radicans'

- Small-leaved spreading cultivar with double white, fragrant flowers.
- 3ft H x 4ft W
- Zone 7-10
- Part to full sun

Dwarf Burford Holly

Ilex cornuta 'Burfordii Nana'

- Compact form of Burford with smaller leaf and single terminal spine, not a heavy fruiter.
- 8ft H x 10ft W
- Zone 6-8
- Sun

Carissa Holly

Ilex cornuta 'Carissa'

- Glossy green leaves with single terminal spine. Mounding habit.
- 4ft H x 6ft W
- Zone 6-8
- Sun

Compacta Holly

Ilex crenata 'Compacta'

- Globose shrub with rounded dark green leaves.
- 6ft H x 6ft W
- Zone 5-8
- Sun

Fosteri Holly

Ilex × attenuata 'Fosteri'

- Small-leaved , glossy green, with a spiny margin and have a compact, pyramidal growth habit.
- 20-30ft H x 10ft W
- Zone 6-9
- Sun

Helleri Holly

Ilex crenata 'Helleri'

- Mounded compact shrub with dull green leaves
- 4ft H x 5ft W
- Zone 6-9
- Sun

Hoogendorn Holly

Ilex crenata 'Hoogendorn'

- Dense mounding shrub with shiny green leaves that tinge burgundy in winter
- 3ft H x 6ft W
- Zone 6-9
- Sun

Needlepoint Holly

Ilex cornuta 'Needlepoint'

- Long narrow leaves and a single terminal spine. Red Fall berries.
- 12ft H x 8ft W
- Zone 6-8
- Sun

Nellie Stevens Holly

Ilex cornuta 'Nellie R. Stevens'

- Fast growing broadly pyramidal, female clone with bright green spiny foliage and glossy red fruit.
- 25ft H x 15ft W
- Zone 6-9
- Sun

Oakland Holly

Ilex hybrid 'Magland' PP14417

- Lustrous dark green leaves and red fruit. Upright-pyramidal grower.
- 14ft H x 8ft W
- Zone 6-8
- Sun

Sky Pencil Holly

Ilex crenata 'Sky Pencil'

- Lustrous dark green foliage with a narrow upright growth habit
- 8ft H x 2ft W
- Zone 6-8
- Sun

Soft Touch Holly

Ilex crenata 'Soft Touch'

- Dense mounding habit with pliable branches and soft foliage.
- 2ft H x 3ft W
- Zone 5-9
- Sun

Steeds Holly

Ilex crenata 'Steeds'

- Upright, pyramidal shrub with dark shiny leaves
- 6ft H x 4ft W
- Zone 5-9
- Sun

Shamrock Inkberry Holly

Ilex glabra 'Shamrock'

- Native holly, somewhat of a suckering habit and glossy green oblong leaves. Slow growing.
- 5ft H x 5ft W
- Zone 4-9
- Sun

Southern Gentleman Deciduous Holly

Ilex verticillata 'Southern Gentleman'

- Deep green foliage on an upright, rounded form. Male pollinator for southern cultivars such as 'Winter Red'.
- 10ft H x 7ft W
- Zone 4-9
- Full Sun

Winter Red Deciduous Holly

Ilex verticillata 'Winter Red'

- Rounded habit with a profusion of bright red berries in fall.
- 8ft H x 8ft W
- Zone 4-9
- Sun

Dwarf Yaupon Holly

Ilex vomitoria 'Schillings'

- Male selection of yaupon holly. Dwarf mounding habit with purplish new growth.
- 4ft H x 5ft W
- Zone 7-10
- Sun

Weeping Yaupon Holly

Ilex vomitoria 'Pendula'

- Weeping form that naturally forms a central leader
- 25ft H x 15ft W
- Zone 7-10
- Sun

Ilex Bordeaux[®] Yaupon Holly

Ilex vomitoria 'Condeaux' PP8779

- Low growth habit, small, dark green leaves turn rich burgundy-red in winter
- 3ft H x 3ft W
- Zone 7-8
- Sun

Halcyon Hosta

Hosta x tardiana 'Halcyon'

- A mound of flat, spear-shaped, heavily-textured, blue-green leaves and racemes of bell-shaped, pale lilac-blue flowers
- 1.5ft H x 2ft W
- Zone 3-8
- Shade to part sun

Patriot Hosta

Hosta x 'Patriot'

- Dark green leaves with broad white margin and is sun tolerant. Lavender colored flowers.
- 1.5ft H x 2ft W
- Zone 3-8
- Shade to part sun

Hydrangea Proven Winners® ColorChoice® Limelight®

Hydrangea paniculata 'Limelight' PP12874

- Large shrub or small tree, abundant clusters of bright, lime-green flowers, vigorous grower
- 8ft H x 8ft W
- Zone 3-8
- Part shade to full sun

Hydrangea Proven Winners® ColorChoice® Little Lime®

Hydrangea paniculata 'Jane' PP22330

- Compact growth habit and lime-green flowers
- 5ft H x 5ft W
- Zone 3-8
- Part shade to full sun

Mini Penny Hydrangea

Hydrangea macrophylla 'Mini Penny' P.P. #15,744

- Fast growing rounded shrub with large leaves, Reblooming with pink or blue flowers depending on soil pH, late spring through summer.
- 4ft H x 4ft W
- Zone 5-9
- Full shade to part sun

Penny Mac Hydrangea

Hydrangea macrophylla 'Penny Mac'

- Fast growing rounded shrub with large leaves, blooms on new growth, flowers produced all summer long. Blooms pink or blue depending on soil pH.
- 5ft H x 4ft W
- Zone 6-9
- Full shade to part sun

Ruby Slippers Oakleaf Hydrangea

Hydrangea quercifolia 'Ruby Slippers'

- Coarse shrub with large lobed leaves. Blossoms open white, quickly age to deep pink and are robust. Foliage turns a brilliant mahogany in fall. Compact form.
- 3.5ft H x 4-5ft W
- Zone 5-9
- Part shade to part sun

Forest Green Illicium (Anise)

Illicium parviflorum 'Forest Green'

- Fragrant rich green leaves, yellow-green flowers in June, star-shaped fruit is interesting in fall.
- 15ft H x 10ft W
- Zone 7-9
- Sun/Part Sun

Snow White Indian Hawthorn

Raphiolepis indica 'Snow White'

- Mounded shrub with dark green glossy leaves that bronze in winter, white flowers early spring to early summer, dwarf spreading habit.
- 3ft H x 4ft W
- Zone 7-10
- Full sun

Confederate Jasmine

Trachelospermum jasminoides

- Evergreen vine with glossy foliage, fragrant white flowers from May to June and sporadically in fall.
- Twining stems up to 20ft long
- Zone 7-9
- Part to full sun

Andorra Juniper

Juniperus horizontalis 'Plumosa Compacta'

- Scale-like grayish green leaves that tinge purple in winter, branches a 45 degree angle, low growing shrub/ground cover.
- 1.5ft H x 8ft W
- Zone 3-9
- Sun

Blue Pacific Juniper

Juniperus conferta 'Blue Pacific'

- Fast-growing evergreen maintains its dense, blue-green foliage year-round. Needles are dense and shorter than other junipers with a low-trailing growth habit
- 1.5ft H x 6ft W
- Zone 6-8
- Sun

Blue Point Juniper

Juniperus chinensis 'Blue Point'

- Evergreen conifer with blue-green cones and a combination of juvenile and adult foliage, blue green pyramidal form with dense branching.
- 10ft H x 6ft W
- Zone 3-9
- Sun

Blue Rug Juniper

Juniperus horizontalis 'Wiltonii'

- Very flat-growing from with trailing branches, intense silver-blue foliage, assumes purple tinge in winter, fairly fast growing.
- 4-6in H x 6-8ft W
- Zone 4-9
- Sun

Gold Lace Juniper

Juniperus chinensis pfitzeriana 'Gold Lace'

- Compact, spreading habit, semi-dwarf evergreen known for its gold foliage that is brightest in summer with bright green foliage underneath.
- 4ft H x 6ft W
- Zone 3-9
- Sun

Parson's Juniper

Juniperus davurica 'Parsonii'

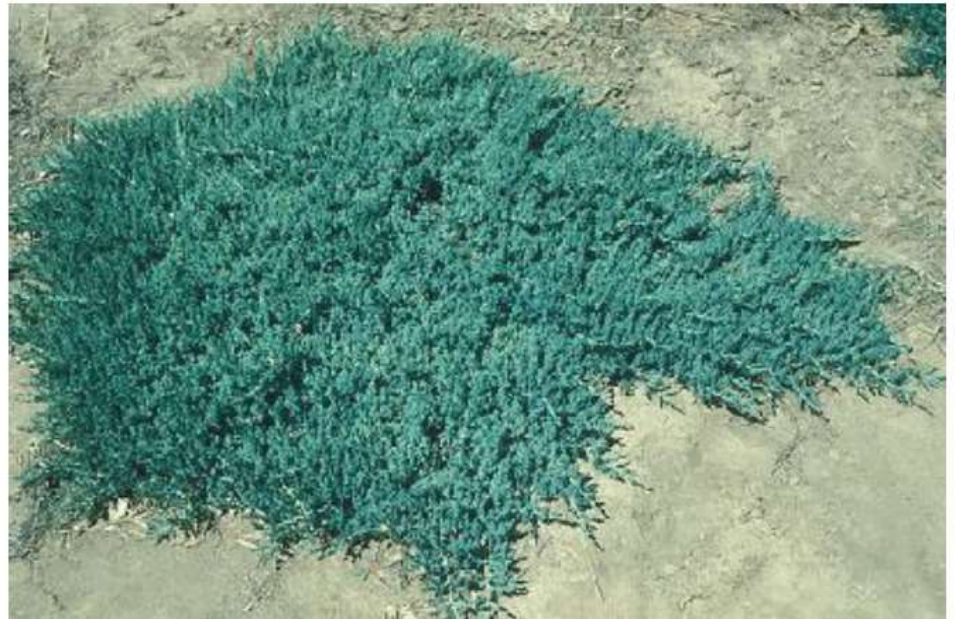

- Dark green glaucous adult and juvenile foliage, rigid branches, spreads horizontally.
- 1.5ft H x 8ft W
- Zone 4-9
- Sun

Dwarf Japanese Garden Juniper

Juniperus procumbens 'Nana'

- Low spreader with spiny blue-green foliage that tinges purple in winter.
- 1ft H x 10ft W
- Zone 4-8
- Sun

Green Sargent Juniper

Juniperus chinensis var. sargentii 'Viridis'

- Fast-growing evergreen has rich emerald-green foliage, heavily branched, low-spreading growth habit with dense coverage .
- 1.5-2ft H x 8ft W
- Zone 5-8
- Sun

Spartan Juniper

Juniperis chinensis 'Spartan'

- Fast growing specimen forms dark green, densely branched columns useful. In natural form, its symmetrical, pyramidal shape rarely needs pruning. Excellent sheared topiary.
- 15ft H x 3-5ft W
- Zone 5-9
- Sun

Jack Frost Variegated Privet

Ligustrum japonicum 'Jack Frost'

- Fast growing dense upright shrub, leaves have an irregular, thin creamy white margin
- 10ft H x 8ft W
- Zone 7-10
- Full to part sun

Swift Creek Variegated Privet

Ligustrum sinense 'Swift Creek'

- Loose rounded habit with twiggy branching and small rounded leaves, clusters of small white flowers in late spring, compact habit with leaves edged in a creamy white variegation.
- 5ft H x 5ft W
- Zone 6-9
- Full Sun to part shade

Lake Tresca Japanese Privet

Ligustrum japonicum 'Lake Tresca'

- Smaller dwarf form, lustrous dark green leaves, almost perfect dense mounds
- 3-4ft H x 5-6ft W
- Zone 7-10
- Sun/Part Sun

Recurve Ligustrum

Ligustrum japonicum 'Recurvifolium'

- fast growing dense upright shrub with large shiny, wavy leaves, white flowers
- 10ft H x 8ft W
- Zone 7-10
- Full sun

Waxleaf Ligustrum

Ligustrum japonicum 'Texanum'

- Fast growing dense upright shrub or small tree with large shiny, dark green leaves and strongly fragrant creamy flowers
- 10ft H x 8ft W
- Zone 7-10
- Sun/Part Sun

Miss Kim Korean Lilac

Syringa pubescens subsp. patula 'Miss Kim'

- Dull dark green pointed leaves, panicles of purplish-pink fragrant flowers from May-June.
- 10ft H x 8ft W
- Zone 3-8
- Part to full sun

Big Blue Liriope

Liriope muscari 'Big Blue'

- Strap-like leaves which form clumps, dark green foliage with dark violet flowers
- 1.5ft H x 1.5ft W
- Zone 6-10
- Part Sun

Variegated Liriope

Liriope muscari 'Variegata'

- Strap-like leaves which form clumps, creamy variegated foliage
- 1.5ft H x 2ft W
- Zone 6-10
- Part Sun

Loropetalum First Editions® Crimson Fire™

Loropetalum chinense var. rubrum 'PIILC-I' PP25534

- Compact, spreading evergreen shrub with neon pink fringe flowers over rich ruby-red foliage in spring
- 2-3ft H x 2-3ft W
- Zone 7-9
- Full sun

Daruma Loropetalum

Loropetalum chinense 'Daruma'

- Compact bushy habit with red tinted foliage and pink April flowers
- 4ft H x 5ft W
- Zone 7-9
- Full sun

Ever Red Loropetalum

Loropetalum chinense 'Chang Nian Hong'

- Compact habit with burgundy foliage and dark red fringe-like flowers late winter into spring
- 6ft H x 6ft W
- Zone 7-9
- Full sun

Purple Pixie Loropetalum

Loropetalum chinense 'Peack' PP18441

- Weeping dwarf form, foliage is a deep purple with a lighter underside and older growth a dark green.
- 1-2ft H x 4-5f W
- Zone 7-9
- Full sun

D.D. Blanchard Southern Magnolia

Magnolia grandiflora 'D.D. Blanchard'

- A pyramidal selection with lustrous dark green leaves and rich orangish brown undersides, creamy white fragrant flowers, evergreen.
- 50ft H x 30-50ft W
- Zone 7-9
- Sun

Little Gem Southern Magnolia

Magnolia grandiflora 'Little Gem'

- Dense pyramidal, evergreen tree with dark green glossy foliage often with brown pubescent back, leaves smaller than species, creamy white fragrant flowers
- 20-25ft H x 15ft W
- Zone 7-9
- Sun

Teddy Bear Southern Magnolia

Magnolia grandiflora 'Southern Charm' P.P.# 13049

- Dense compact upright-pyramidal form, wavy lustrous dark green leaves, brown below, slow growing compared to species, white flowers, evergreen.
- 16-20ft H x 10-12ft W
- Zone 7-9
- Sun

Butterflies Deciduous Magnolia

Magnolia acuminata 'Butterflies'

- Pyramidal habit.
Exceptional, rich yellow, non-fading 4 to 5 in. blooms are held upright like butterflies upon the branches. A spectacular specimen and focal point for early spring.
- 16ft H x 12ft W, may get 25-30ft H with age
- Zone 4-9
- Sun

Jane Deciduous Magnolia

Magnolia x 'Jane'

- Erect shrubby habit with pink flowers opening before the leaves
- 20ft H x 15ft W
- Zone 4-8
- Full sun to part shade

Royal Star Deciduous Magnolia

Magnolia stellata 'Royal Star'

- Small rounded tree with creamy white fragrant flowers before the leaves in late winter/early spring
- 15ft H x 20ft W
- Zone 4-9
- Full sun

Soft Caress Mahonia

Mahonia eurybracteata 'Soft Caress' PP20183

- Evergreen shrub with compact habit, bright yellow flowers stand atop the slender bamboo-like foliage.
- 3ft H x 3.5ft W
- Zone 7-9
- Shade to part sun

Leatherleaf Mahonia

Mahonia bealei

- Fragrant yellow flowers, blue-green holly-like compound foliage with sharp spines, bright blue fruit in summer.
- 10f H x 8ft W
- Zone 7-9
- Shade

October Glory® Red Maple

Acer rubrum 'PNI 0268'

Trident Maple

Acer buergerianum

- Distinctly oval-rounded outline, slow growing tree, reddish purple fall color.
- 30ft H x 30 ft W
- Zone 5-8
- Sun

Adagio Maiden Grass

Miscanthus sinensis 'Adagio'

- Arching clumps of narrow green foliage, abundant tan plumes in summer, dwarf form
- 4ft H x 3ft W
- Zone 5-9
- Part to full sun

Dwarf Zebra Grass

Miscanthus sinensis 'Little Zebra'

- Clump-forming grass noted for its horizontally banded foliage. Flowers emerge gray-purple with the plumes having an overall wine-purple coloration. As seeds begin to form, the flower/seed plumes fade to creamy tan.
- 3-4ft H x 2-3ft W
- Zone 5-9
- Full sun to part shade

Dwarf Mondo Grass

Ophiopogon japonicus 'Nanus'

- Narrow strap-like leaves, clump forming, pale blue flowers and metallic blue fruit
- 1ft H x 2ft W
- Zone 6-11
- Filtered sun

Black Mondo Grass

Ophiopogon planiscapus 'Nigrescens'

- Black to dark purple strap-like leaves, with bell-shaped, pale lavender flowers in summer
- 1ft H x 2ft W
- Zone 5-10
- Part to full sun

Pink Muhly Grass

Muhlenbergia capillaris

- Drought tolerant, native grass with thin green leaf blades topped in September with clouds of soft pink plumes
- 3ft H x 3ft W
- Zone 5-9
- Full sun

Nandina domestica

- Layered compound foliage, leaves emerge copper, panicles of white flowers in May, red fruit
- 8ft H x 6ft W
- Zone 6-9
- Part to full sun

Firepower Nandina

Nandina domestica 'Firepower'

- Layered compound foliage, compact mounded form with yellow and purple-red tinges, uniform red color in winter
- 2ft H x 2ft W
- Zone 6-9
- Full sun

Gulf Stream Nandina

Nandina domestica 'Gulf Stream'

- Layered compound foliage, metallic blue-green summer foliage, compact form, red winter color
- 3.5ft H x 3ft W
- Zone 6-9
- Part to full sun

Harbour Dwarf Nandina

Nandina domestica 'Harbour Dwarf'

- Layered compound foliage, graceful compact form with red-purple winter color
- 2ft H x 3ft W
- Zone 6-9
- Part to full sun

Southern Live Oak

Quercus virginiana

- Leathery dark green elliptical leaves, wide spreading habit with age, evergreen.
- 50ft H x 80ft W
- Zone 7b-10
- Sun

Nuttall Oak

Quercus nuttallii Palmer

- Medium to large tree with a smaller crown than most other bottomland oaks
- 60-80ft H
- Zone 6-9
- Sun

Willow Oak

Quercus phellos

- Large rounded tree with a rounded habit, narrow lance-shaped leaves
- 70ft H x 50ft W
- Zone 5-9
- Sun

Fragrant Tea Olive

Osmanthus fragrans

- Large shrub or small tree with olive green foliage, fragrant white flowers in fall and spring
- 25ft H x 15ft W
- Zone 7-9
- Sun to part shade

Goshiki Osmanthus

Osmanthus heterophyllus 'Goshiki'

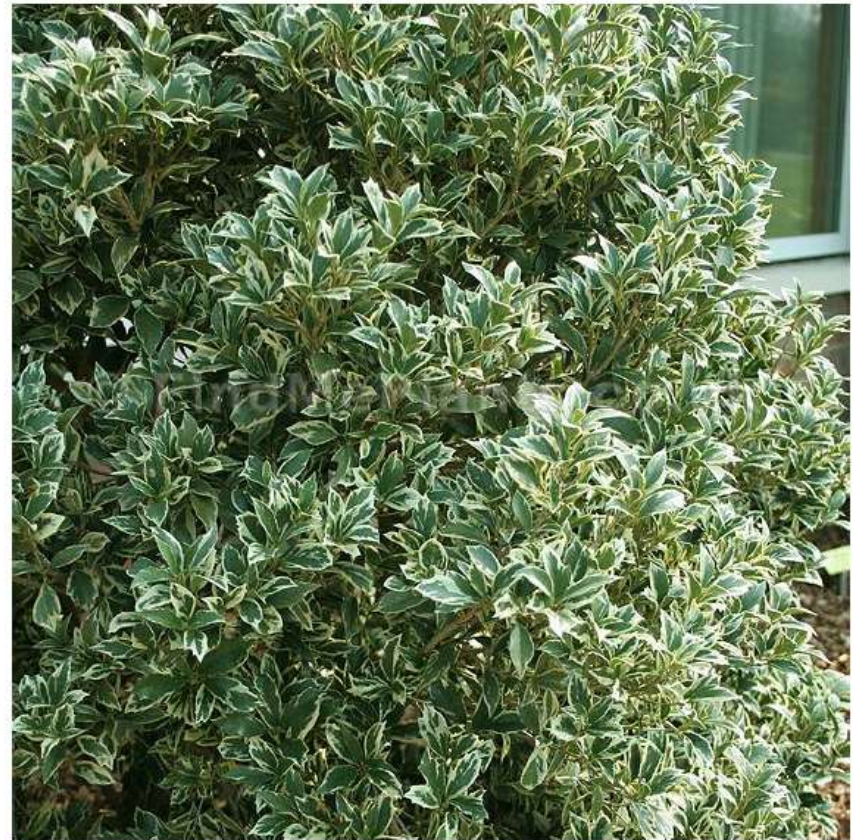

- Dense growth habit, new growth emerges pink to bronze and matures to cream with green flecks, variable numbers of spines, fragrant white flowers in fall
- 6ft H x 4ft W
- Zone 6-9
- Part to full sun

Variegated Osmanthus

Osmanthus heterophyllus 'Variegatus'

- Small evergreen shrub with many erect branches to form a mound. Leathery holly-like leaves are irregularly spined and dark green edged in creamy-white. An excellent hedge, border or foundation plant
- 4-5ft H x 4-5ft W
- Zone 6-9
- Part to full Sun

Cleveland Flowering Pear

Pyrus calleryana 'Cleveland Select'

- Fast growing upright pyramidal tree in youth. Profuse white flower clusters in March. Purple-red fall foliage. Stronger crotch angles than 'Bradford', less likely to split.
- 35ft H x 16ft W
- Zone4-8
- Sun

Karley Rose Fountain Grass

Pennisetum orientale 'Karley Rose'

- Slender arching foliage with delicate plumes, dark green upright foliage is topped with rose pink plumes in summer fading to tan
- 3ft H x 3ft W
- Zone 6-8
- Sun

Little Bunny Dwarf Fountain Grass

Pennisetum alopecuroides 'Little Bunny'

- The most dwarf of the fountain grasses with fluffy, buff colored blooms, foliage turns golden russet in fall.
- 10-12 inches tall and wide
- Zone 5-9
- Full sun

Mountain Snow Pieris

Pieris japonica 'Mountain Snow'

- Small shrub, slow growing compact habit that starts out bronzy-red and matures to dark green, pendulous panicles of white blooms
- 3-4ft H x 2-3ft W
- Zone 4B-8
- Shade to part sun

Loblolly Pine

Pinus taeda

- Fast growing pine with 6-10 inch needles
- 80ft H x 40ft W
- Zone 6-9
- Sun

Chinese Pistache

Pistacia chinensis

- Oval to rounded tree, ridged bark, dioecious, male small greenish flowers on long panicles, female long loose panicles
- 30-35ft H x 25-35ft W
- Zone 6-9
- Sun

Mojo Pittosporum

Pittosporum tobira 'CNI Three' PP16188

- Tough, evergreen shrub, with dense variegated foliage and orange blossom scented blooms.
- 3ft H x 3ft W
- Zone 7-10
- Full sun to part shade

Variegated Pittosporum

Pittosporum tobira 'Variegatum'

- Glossy green foliage with white variegation on leaf margins, more compact habit
- 8ft H x 8ft W
- Zone 7B-10
- Sun/Shade

Krauter Vesuvius Purple Leaf Plum

Prunus cerasifera 'Krauter Vesuvius'

- Upright tree, vigorous growth with dark purple foliage and pink flowers
- 30ft H x 20ft W
- Zone 5-8 Sun

Shrubby Podocarpus

Podocarpus macrophyllus var. *maki*

- Upright oval to columnar evergreen shrub with needle-like leaves
- 20-30ft H x 10-15ft W
- Zone 8-10
- Full sun to part shade

Cameo Flowering Quince

Chaenomeles japonica 'Cameo'

- Broad mass of twiggy branches with glabrous dark green leaves, yellow-green edible fruit in October, Double peach flowers before the foliage Jan to March.
- 6ft H x 5ft W
- Zone 4-8
- Full sun

Jet Trail Flowering Quince

Chaenomeles × superba 'Jet Trail'

- Compact growth habit with white blooms in early spring, yellow-green edible fruit.
- 4ft H x 4ft W
- Zone 4-8
- Full sun

Texas Scarlet Flowering Quince

Chaenomeles japonica 'Texas Scarlet'

- Spreading habit and profuse tomato-red flowers, edible fruit.
- 2-3ft H x 4ft W
- Zone 4-8
- Full Sun

Forest Pansy Redbud

Cercis canadensis 'Forest Pansy'

- New growth is purplish red turning to purplish green in late spring, reddish purple flowers, medium growing tree with heart-shaped leaves
- 25ft H x 25ft W
- Zone 4-9
- Sun

Merlot Redbud

Cercis x 'Merlot' P.P.#22,297

- Redbud 'Merlot' bright pink flowers in early spring followed by glossy, dark purple foliage
- 12ft H x 15ft W
- Zone 6-9
- Sun

Ruby Falls Redbud

Cercis canadensis 'Ruby Falls' PP#22097

- Weeping form with red-purple foliage and rose-purple blooms before foliage emerges
- 6ft H x 4ft W
- Zone 4-9
- Sun

Eastern Redbud

Cercis canadensis

- Usually small tree with trunk divided close to the ground forming a spreading, flat-topped to rounded crown, reddish purple flowers
- 20-30ft H x 25-35ft W
- Zone 4-9
- Sun

Lady Banks Rose

Rosa banksiae 'Lutea'

- Sprawling climber, nearly thornless, flowers are white or yellow and slightly fragrant
- vining habit to 15 to 20 ft. long
- Zone 6-9
- Full sun

White Lady Banks Rose

Rosa banksiae 'Alba Plena'

- A vigorous climber with rich green foliage on nearly thorn-free slender branches. Miniature, double, white blooms have a slight fragrance and are quite profuse.
- vining habit to 15 to 20 ft. long
- Zone 6-9
- Full sun

Goldmound Spirea

Spiraea japonica 'Goldmound'

- Low mounding shrub with pink flowers, yellow-green foliage, recurrent summer flowering
- 3ft H x 5ft W
- Zone 4-8
- Full Sun

Neon Flash Spirea

Spiraea japonica 'Neon Flash'

- Deep, pink flowers, reddish new growth, dark green at maturity
- 3ft H x 3ft W
- Zone 4-8
- Full Sun

Chindo Viburnum

Viburnum awabuki 'Chindo'

- Lustrous dark green leaves, clusters of fragrant white flowers followed by red berries that later turn black
- 15ft H x 10ft W
- Zone 7-10
- Part to full sun

Chinese Snowball Bush

Viburnum macrocephallum

- Dense rounded shrub, clusters of white flowers from May to June
- 10ft H x 10ft W
- Zone 6-9
- Full sun to part shade

Miss Schiller's Dwarf Viburnum

Viburnum obovatum 'Miss Schiller's Delight'

- Small rounded foliage held on slender stems turning bronze-purple in fall, small leaves and clusters of white flowers adorn this compact plant most of the summer
- 4ft H x 4ft W
- Zone 6-9
- Full sun to part shade

Shoal Creek Chaste Tree

Vitex agnus-castus 'Shoal Creek'

- Aromatic gray-green compound leaves, pale violet flowers from June to September, becomes a small tree over time with a wide open canopy
- 20ft H x 15ft W
- Zone 6-9
- Full Sun

Southern Wax Myrtle

Myrica cerifera

- Large shrub to small tree, waxy green leaves, strong bayberry odor
- 20ft H x 20ft W
- Zone 7-10
- Full sun to part shade

Weeping Willow

Salix babylonica

- Medium to large deciduous tree with a stout trunk topped by a graceful broad-rounded crown of branches that sweep downward to the ground.
- 40ft H x 40ft W
- Zone 5-8
- Sun

Amethyst Falls American Wisteria

Wisteria frutescens 'Amethyst Falls'

- Twining plant grows about a third the rate of Asian wisteria for better behavior in small spaces. Fragrant purple racemes bloom at an early age.
- 8-10ft H
- Zone 5-9
- Part to full sun

Color Guard Yucca

Yucca filamentosa 'Color Guard'

- Bright golden variegation along sword-like leaf margins, white spring flowers
- 3ft H x 3ft W
- Zone 6-10
- Full Sun

Green Vase Zelcova

Zelkova serrata 'Green Vase'

- Medium to large deciduous tree, generally upward-branching, vase-shaped crown. Insignificant small green flowers appear in spring as the foliage emerges. Flowers give way to small, non-showy, ovate, wingless drupes that ripen in autumn. Oblong-elliptic medium green leaves.
- 60-80ft H x 40-50ft W
- Zone 5-8
- Sun
